LeRêve School of Arts

■ Welcome Message

With 26 years of traditions, LeRêve School of Arts International has been successfully growing as an Art institution that offers High School Academic curriculum and Art Portfolio curriculum combined. Art students at LeRêve School of Arts International now can earn a OSSD (Canadian High School graduation diploma) and can prepare Art & Design portfolio simultaneously. The art students used to have difficulties of maintaining high GPA, English proficiency test preparation and Art & Design Portfolio. However, they can have them done all at once through TOTAL program at LeRêve School of Arts International. As a result, the art students are able to apply renowned art colleges & universities in the world including the USA. Having more time to focus on preparation Art & Design portfolio and less focus on High School GPA is the major advantage being at LeRêve School of Arts International. LeRêve School of Arts International provides an opportunity to all students to show their originality and be creative and inspired in arts. LeRêve School of Arts International recommends all students to be self-directed in learning. LeRêve School of Arts International also puts our best efforts to foster all students to have the right values and to be independent. LeRêve School of Arts International has been keeping the promise for 26 years and will keep this promise in the future. The creative education at LeRêve School of Arts International has been well developed by the parents' and the students' trust. LeRêve School of Arts International respects students' value and support their dreams. LeRêve School of Arts International is a mentor for the success.

Warm Regards

LeRêve School of Arts

PORTFOLIO

Creativity Convergence Art & Design International School

INTERNATIONAL PORTFOLIO

Art & Design PORTFOLIO ?

The most important thing in a college admission is the PORTFOLIO.

The Portfolio should include creativity, originality and individuality.

Personal Portfolio, for example, drawing, painting, collage, mix media, and object, is the most thing to prepare.

In addition, it is important to prepare a convergence portfolio that shows students' value, philosophy and ideology.

Creative convergence portfolio is one of significant evaluation criteria for a scholarship opportunity. Students at **LeRêve School of Arts**, can maintain Top-tier GPA via academic programs, meanwhile, can prepare for the creative convergence portfolio. Moreover, through total preparation program, a larger numbers of students at are offered a scholarship.

LeRêve School of Arts encourages and supports our students' goal to achieve.
